

THE COMFORT OF TEA

It is no secret that the mental stress of modern life affects us. How can we avoid this unwanted guest? Here is a big comfort - Shoti Maa Tea. Each of the varieties is formulated to comfort your senses in different ways. Traditional and not-so-traditional herbs and spices are blended to give you an experience of meditative well-being. And perhaps the biggest comfort of all: Shoti Maa teas are simply delicious. One sample of the heady aroma and taste tells the story. Everyone loves a good cup of tea.

I Am *Sage, Ginger & Elderflower*

I feel the Earth. This is the planet I was born to – I spring from it. If I wiggle my toes, I can squish the fertile soil.
